

Juniper Networks Product Registration Instructions

For any Juniper products that run on ScreenOS as an operating system, or J-Series, or EX Ethernet Switches may be registered with Juniper Networks.

JUNOS and JUNOSe Operating System products

These products are shipped directly from a Juniper Contract Manufacturer, and therefore ship with the most current version of operating system software. Product Registration is not required for this product line at this time.

Product Warranty Entitlements

The benefits are provided as a part of the Product Warranty. To view the complete terms and conditions of your Juniper Networks Product Warranty, please visit us at: <http://www.juniper.net/support/warranty/>
