

## [edit poe] Configuration Statement Hierarchy

---

```
poe {  
  guard-band watts;  
  interface (all | interface-name) {  
    disable;  
    maximum-power watts;  
    priority value;  
    telemetries {  
      disable;  
      duration hours;  
      interval minutes;  
    }  
  }  
  management type;  
}
```
