

CONFIRMATION REGARDING MIST SYSTEMS, INC. AND EXISTING CUSTOMER AND PARTNER DATA PROCESSING AGREEMENTS

Effective as of April 2, 2019

With the completion of the acquisition of Mist Systems, Inc. ("Mist") by Juniper Networks, we are pleased to confirm that Mist is now an affiliate of Juniper Networks.

Thus, to the extent that any existing customers or partners of Juniper Networks have an existing data processing agreement or similar written, fully-executed contract (including any privacy or security exhibit, addendum, appendix or similar provisions in any written, fully-executed agreement or contract between the parties) regarding data protection with Juniper Networks, we confirm that such existing agreement or contract with Juniper Networks also applies to Mist to the extent that such customer or partner also purchases or sells Mist products or services (as applicable) and to the extent Mist processes the personal data of such customer or partner in connection with such Mist products or services.

For additional information regarding the Juniper Networks Privacy Policy, including Supplemental Privacy Information regarding Mist Systems, please see <https://www.juniper.net/us/en/privacy-policy/>

For additional information about the acquisition of Mist, please see our announcement of April 2, 2019, available at <https://forums.juniper.net/t5/Engineering-Simplicity/Juniper-Networks-Completes-Agreement-to-Acquire-Mist-Systems-to/ba-p/461002>
