

Verifying and Managing DHCP Local Server Configuration

Purpose View or clear information about client address bindings and statistics for the extended DHCP local server.

Action ■ To display the address bindings in the client table on the extended DHCP local server:

```
user@host> show dhcp server binding
```

■ To display extended DHCP local server statistics:

```
user@host> show dhcp server statistics
```

■ To clear the binding state of a DHCP client from the client table on the extended DHCP local server:

```
user@host> clear dhcp server binding
```

■ To clear all extended DHCP local server statistics:

```
user@host> clear dhcp server statistics
```
