Hierarchy Level [edit interfaces *interface-name* gicether-options ethernet-switch-profile
 ethernet-policer-profile]

Release Information Statement introduced before JUNOS Release 7.4.

Description For Gigabit Ethernet IQ and 10-Gigabit Ethernet interfaces only, define the output
 policer priority map to be applied to outgoing frames on this interface.

 The statements are explained separately.

Usage Guidelines See Configuring Gigabit Ethernet Policers.

Required Privilege Level interface—To view this statement in the configuration.
 interface-control—To add this statement to the configuration.
