

Configuring Tagged Aggregated Ethernet Interfaces

To specify aggregated Ethernet interfaces, include the `vlan-tagging` statement at the `[edit interfaces aeX]` hierarchy level:

```
[edit interfaces aeX]  
vlan-tagging;
```

You must also include the `vlan-id` statement:

```
[Unresolved xref] number;
```

You can include this statement at the following hierarchy levels:

- `[edit interfaces interface-name unit logical-unit-number]`
- `[edit logical-systems logical-system-name interfaces interface-name unit logical-unit-number]`

For more information about the `vlan-tagging` and `vlan-id` statements, see [\[Unresolved xref\]](#).
