

radius update-source-addr

Syntax radius update-source-addr *sourceAddr*
 no radius update-source-addr

Release Information Command introduced before JUNOS Release 7.1.0.

Description Specifies an alternate source IP address for the router to use rather than the default router ID. The **no** version deletes the alternate address, and the router uses the router ID.

Options ■ *sourceAddr*—Source address of the RADIUS client

Mode Global Configuration
