

time

Syntax *time seconds*

no time

Release Information Command introduced in JUNOS Release 7.2.0.

Description Configures the threshold for the amount of time that the service session can be active for a subscriber. The service is terminated when the time expires. The **no** version removes the time attribute from the service session profile.

Options ■ *seconds*—Number of seconds in the range 0–16777251

Mode Service Session Profile Configuration
