

Chapter 14

Monitoring a QoS Scheduler Hierarchy

This chapter provides information for configuring the QoS scheduler hierarchy using scheduler profiles on the E-series router.

QoS topics are discussed in the following section:

- Monitoring QoS Scheduling and Shaping on page 127

Monitoring QoS Scheduling and Shaping

To monitor QoS scheduling, see:

- Monitoring the QoS Scheduler Hierarchy on page 318
- Monitoring the Configuration of Scheduler Profiles on page 321
- Monitoring Shared Shapers on page 323
- Monitoring Shared Shaper Algorithm Variables on page 324
