

Adding Enterprises (C-Web Interface)

To add an enterprise subscriber:

1. Click **Configure**, and expand **Subscribers**.
2. Expand the specified retailer, and then click the specified subscriber folder.

The Subscriber Folder: *< name >* pane appears.

3. From the Create new list, select **Enterprise**.
4. In the dialog box, enter a name for the new Enterprise, and click **OK**.

The Enterprise: *< name >* pane appears.

5. Enter information as described in the Help text in the main pane, and click **Apply**.
6. Configure an access subscription for the enterprise. (See Configuring Accesses (C-Web Interface).)
