

Purchasing a Periodic Account

The screenshot displays the Virneo web application interface. At the top left is the Virneo logo with the tagline 'The network that keeps you surfing'. At the top right, it says 'Welcome jane@virneo-quota.com'. Below this is a blue header bar with 'Virneo Customer Care'. A navigation pane on the left contains links for 'Balances', 'History', 'Sessions', and 'Buy Bandwidth'. The 'Buy Bandwidth' link is selected, and the main content area shows two account types: 'PeriodicQuota Account' and 'BoughtQuota Account'. The 'PeriodicQuota Account' section explains that it provides 5,000,000 MB of high-speed uploads and/or downloads every month. It states that if the balance is used up, access will cease until the next billing period. It shows a current balance of 0.000 MB and that the account is currently inactive. There are 'Activate' and 'Deactivate' buttons. The 'BoughtQuota Account' section explains that it allows maintaining high-speed internet access even with a zero balance in the periodic account. It states that the balance in the bought quota account will never expire. It shows a current balance of 998.576 MB. There are three radio button options for purchasing: 'Buy 1GB for \$10 (1 \$/MB)', 'Buy 2GB for \$15 (0.75 \$/MB)', and 'Buy 4GB for \$20 (0.5 \$/MB)'. A 'Buy' button is at the bottom of this section. The footer of the page says '© Virneo 2003'.

PeriodicQuota Account

A PeriodicQuota account provides you with 5,000,000 MB of high-speed uploads and/or downloads every month.

If you use up the balance in your PeriodicQuota account, your high-speed internet access will cease until the beginning of your next monthly billing period, at which time your PeriodicQuota account balance will be topped up to 5,000,000 MB again.

You currently have a balance of **0.000 MB** in your PeriodicQuota account. This account is currently **inactive**.

An active PeriodicQuota account costs \$15 per month.

BoughtQuota Account

A BoughtQuota account lets you maintain high-speed internet access even if you have a zero balance in your PeriodicQuota account.

The balance in your BoughtQuota account will never expire. It stays available until you use it. If you have a balance in both your PeriodicQuota account and your BoughtQuota account, uploads and/or downloads will be charged to your PeriodicQuota account until it is empty, after which they will be charged to your BoughtQuota account.

You currently have a balance of 998.576 MB in your BoughtQuota account.
