

Viewing Information About Policies

Purpose View information about the policies available on the SAE.

Action 1. Click **Monitor > SAE > Policies**.

The Policies pane appears.

The screenshot shows the Juniper Networks configuration interface. The top navigation bar includes 'Monitor', 'Configure', 'Diagnose', and 'Manage'. The 'Monitor' tab is selected, and the left sidebar shows a tree view with 'SAE' expanded. The main content area is titled 'SAE Policies' and contains a form with the following fields:

Field	Value	Description
Policy Group	<input type="text"/>	Name of a policy group. <i>Value:</i> All or part of the policy group name <i>Default:</i> No value
Maximum Results	<input type="text"/>	Number of results to be displayed. <i>Legal range:</i> 1..INF <i>Default:</i> 25
Slot	<input type="text"/>	Display SAE information for a specified slot. <i>Value:</i> Currently the chassis has only one slot. The valid value is 0. <i>Default:</i> 0
Style	<input type="text" value="detail"/>	Output style. <i>Choices:</i> brief: Display only policy group names <i>Default value:</i> detail

At the bottom of the form are 'OK' and 'Reset' buttons. The footer of the interface shows 'Copyright © 2007, Juniper Networks, Inc. All Rights Reserved. Trademark Notice. Privacy.' and the 'Juniper your Net.' logo.

2. In the Policy Group box, enter a full or partial policy name for which you want to display information, or leave the box blank to display all policies.
3. In the Maximum Results box, enter the maximum number of results that you want to receive.
4. In the Slot box, enter the number of the slot for which you want to display policy information.
5. Select an output style from the Style list.
6. Click **OK**.

The Policies pane displays the status of the policies configured on the SAE.
