

Viewing Login Registrations

Purpose You can view all login registrations, or you can view a specific registration.

Action To view information about login registrations:

1. Click **Monitor > SAE > Registered > Login**.

The Registered/Login pane appears.

Monitor		Configure	Diagnose	Manage	Logged in as: admin	Refresh	Preferences	About	Logout

2. In the MAC Address box, enter a MAC address that specifies the login registrations that you want to display.

Use the format:

xx:xx:xx:xx:xx:xx

3. In the Maximum Results box, enter the maximum number of results that you want to receive.
4. In the Slot box, enter the number of the slot for which you want to display login registration information.
5. Select an output style from the Style list.
6. Click **OK**.

The Registered/Login pane displays information about the login registrations.
