

## Configuring User Accounts (C-Web Interface)

---

To configure a user account:

1. Click **Configure**, expand **System**, and then click **Login**.

The Login pane appears.

2. From the Create New list, select **User**.
3. Type a name for the user in the dialog box, and click **OK**.

The User pane appears.

4. Enter information as described in the Help text in the main pane, and click **Apply**.
