

Viewing Information About Services

Purpose View information about the services available on the SAE.

Action 1. Click **Monitor > SAE > Services**.

The Services pane appears.

2. In the Maximum Results box, enter the maximum number of results that you want to receive.
3. In the Service Name box, enter a full or partial service name for which you want to display information, or leave the box blank to display all services.
4. Select the **Secret** check box to set a flag indicating that secret services are displayed.
5. In the Slot box, enter the number of the slot for which you want to display services information.
6. Select an output style from the Style list.
7. Click **OK**.

The Services pane displays the status of the services running on the SAE.
