# Monitoring Redundant Router Components

Host Redundancy Overview on page 463

Monitoring Redundant Routing Engines on page 491

Monitoring Redundant Power Supplies on page 507

Monitoring Redundant Cooling System Components on page 523

Monitoring Redundant SIBs on page 543

Monitoring Redundant SCGs on page 551

Monitoring Redundant Control Boards on page 559

(For M40e and M160 routers) Monitoring Redundant MCSs on page 567

(For M40e and M160 routers) Monitoring Redundant SFMs on page 577

(For M40e and M160 routers) Monitoring Redundant PCGs on page 595

(For the M20 router) Monitoring Redundant SSBs on page 605

(For the M10i router) Monitoring Redundant CFEBs on page 617

(For the M10i router) Monitoring Redundant HCMs on page 623
