

show secure classifier-list

Syntax show secure classifier-list [*classifierName* [*classifierNumber*]] [brief | detailed]
[*filter*]

Release Information Command introduced in JUNOS Release 8.0.0.

Description Displays information about secure classifier lists.

- Options**
- *classifierName*—Name of the secure classifier list
 - *classifierNumber*—Number of the classifier list
 - brief—Displays information in a condensed, summary format
 - detailed—Provides a detailed description of the trace, rather than a summary
 - *filter*—See Filtering show Commands

Mode Privileged Exec, User Exec
