

Structure of Management Information MIB

The Juniper Networks enterprise-specific Structure of Management Information MIB defines the top-level structure of the Juniper Networks enterprise-specific MIB space. For a downloadable version of this MIB, see http://www.juniper.net/techpubs/en_US/junos10.2/information-products/topic-collections/config-guide-network-mgm/mib-jnx-smi.txt .

The Structure of Management Information MIB space has five root branches:

- jnxProducts
- jnxServices
- jnxMibs
- jnxTraps
- jnxExperiment

- Related Topics**
