

Example: Exporting IS-IS Level 2 Routes to Level 1

Export IS-IS Level 2 routes into Level 1.

```
[edit]
protocols {
  isis {
    export L2-L1;
  }
}
policy-statement L2-L1 {
  term one {
    from level 2;
    to level 1;
    then accept;
  }
}
```
