|--------------------------|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|---------------------|----------------------------------|-------------------------------|
|                          | T640-FPC3-ES-1XGE-OTN | OTN starter kit for T640/T1600. (1) T640-FPC3-ES with (1) PC-1XGE-DWDM-OTN PIC.                                                                                                                                                               | T640    | 10/07/2017          |                                  |                               |
|                          | T640-FPC3-ES-4XGE-OTN | Bundle containing (1) T640-FPC3-ES and (4) PC-1XGE-DWDM-OTN PICs. Min JUNOS requirement is 9.4R1.                                                                                                                                             | T640    | 10/07/2017          |                                  |                               |
| PSN-2012-03-522          | WLA-XPS6201-OUT       | outdoor power supply for the WLA632. 100-240 VAC 50-60Hz input. ?Ships with custom cable kit and mounting bracket (does not include Cat5 or compatible cable). Incl AC input cable for direct wiring or connect to 3-prong plug               |         | 10/30/2017          |                                  |                               |
| PSN-2012-03-522          | WLA-XPSCABL-OUT       | Complete cable replacement kit for WLA-XPS620x-OUT. kit contains a) three DIN-to-RJ45 converter cables, 0.5m length with waterproof RJ45 connectors;b)one DIN-to-DIN cable, 3m length;c)one 3m open power cord(for use with WLA-XPS6201-OUT). |         | 10/30/2017          |                                  |                               |
| PSN-2012-03-521          | WLA522                | AP with dual radios 802.11a/b/g/n 2x2 MIMO, single 1000Base-T 802.3af PoE Ethernet port, four internal antennas. Not rated for plenum use.Ceiling/wall mounting bracket included.                                                             |         | 10/30/2017          | WLA522-IL,WLA522-US,WLA522-WW    |                               |
| PSN-2012-03-521          | WLA522E               | Plenum-rated AP with dual radios 2x2 802.11a/b/g/n 2x2 MIMO, single 1000Base-T 802.3af PoE Ethernet port , four external antenna ports. Includes four paddle antennas (not plenum rated). Ceiling/wall mounting bracket included.             |         | 10/30/2017          | WLA522E-IL,WLA522E-US,WLA522E-WW |                               |
| PSN-2012-03-522          | WLA632                | Outdoor dual radios: 802.11a/b/gn external 3x3 MIMO antennas, 1000Base-T Ethernet, external female Type N jacks for antennas (ordered separately). requires outdoor power supply (WLA-XPS6202-OUT).                                           |         | 10/30/2017          | WLA632-US,WLA632-IL,WLA632-WW    |                               |
| PSN-2012-03-522          | WLA632-01             | Outdoor dual radios:802.11a/b/gn ext. 3x3 MIMO antennas, 1000Base-T Ethernet, external female Type N jacks for antennas (required-ordered separately). Outdoor power supply (WLA-XPS6201-OUT) included (three-prong plug not included).       |         | 10/30/2017          | WLA632-US,WLA632-IL,WLA632-WW    |                               |
| <a href="#">TSB16805</a> | CHAS-BP-CSE2000-S     | CSE2000 Chassis (sheet metal + midplane)                                                                                                                                                                                                      | CSE2000 | 10/31/2017          |                                  |                               |
